

JOSEPH PRISON TO PALACE PROGRAM
HOLISTIC REENTRY APPROACH

Mission

The mission of Joseph Prison to Palace Program is to create a community for formerly incarcerated men. That will facilitate a positive transitional reentry into the community wherein they can make a positive impact in their family and in society with dignity and confidence. There is a need to restore families, communities and society by returning spiritually healed and financially equipped men.

Vision

JP2PP will provide housing, training in new technologies, and social mores, career preparation, spiritual development, and work placement. The program will collaborate with entities that will provide services to fulfill the mission, such as BOCES, The Church Without Borders, etc. The program seeks to help individuals who were justice involved, who want an opportunity to make a change in their life and want support to make it happen.

YOU ARE NOT
REMEMBERED FOR WHERE
YOU START IN LIFE BUT
HOW YOU FINISH.
